

Floss options for the whole family!

Let's make floss time a fun time, for the whole family. Explore Grin Natural's best-selling floss range including their iconic floss picks which are a #1 best seller!

Grin Natural Kids 100% Recycled Floss Picks

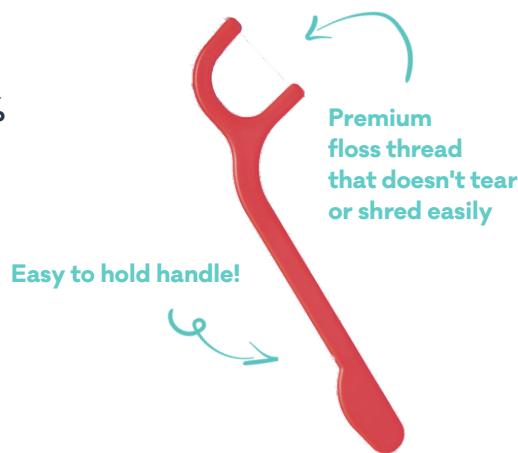

Available in 45pk

Made from resilient UHMW PE floss thread material that doesn't tear or shred easily and a 100% recycled handle, it's easy for little hands to use and helps reach those "hard to reach" spaces between teeth.

Grin Natural Adults 100% Recycled Floss 30m

Made with a luxurious, resilient PTFE floss that doesn't tear or shred easily, naturally flavoured with mint oil, and comes in a 100% recycled dispenser and packaging.

Grin Natural Adults 100% Recycled Floss Picks

Individually wrapped for easy flossing on the go!

Made from resilient UHMW PE floss thread material that doesn't tear or shred easily and a 100% recycled handle, it's easy to use and helps reach those "hard to reach" spaces between teeth.
