# Grin Natural Kids Toothpastes 70g

Available in Berrylicious, Strawberry and Grape

These delicious, fruit-flavours toothpastes are powered by organic calendula oil, organic sea salt and organic aloe leaf extract for an effective clean. Fluoride and non-Fluoride options available!

## Made in New Zealand from natural ingredients

Anti-inflammatory properties of calendula oil also make it gentle and soothing on developing teeth and gums.

A study published in the May/June 2009 issue of General Dentistry found that Aloe Vera gel was just as effective as regular toothpaste in cleaning teeth and eliminating cavity-causing bacteria.

The alkaline nature of sea salt increases the pH balance of your mouth, creating an environment that bacteria really, really hate.
