

grin[®]

100% Natural
New Zealand Made

Developed and Tested in NZ

Grin Natural Toothpaste has been created after undertaking extensive consumer research and has been developed together with NZ scientists.

Sourced from NZ Nature:

Organic Calendula Oil

Organic Sea Salt

Organic Aloe Leaf Extract

Natural Xylitol

Health Benefits:

Helps Soothe Gums

Helps keep a healthy Balance

Helps Keep Mouth Flora in Natural Balance

Helps Maintain the Health of Baby Teeth

Newly forming teeth and gums need that extra bit of TLC – that's why we've created a 100% natural toothpaste specially formulated for the littlest members of your household! Grin 100% Natural Kids Toothpaste is a gently effective gel that soothes gums and gets tiny teeth clean without nasty chemicals. Now that's something for you and the kiddies to Grin about!

What makes a product good?

At Grin, it includes how we make it.

- No fluoride, sodium lauryl sulfate (SLS), preservatives, artificial flavours, colours, fragrance or harsh abrasives.
- We share every ingredient, its purpose and its source at www.grinnatural.co.nz
- No animal, vegetable or plant suffered during the making of this fabulous connection. Limitless benefits all round when you go natural.
- Sustainable practices are a priority in every aspect of our business.
- We strive to maximize recycled content and recyclability of our packaging.
