HENRY SCHEIN FINANCIAL SERVICES OFFER

- Automatic approval of up to \$500,000 for all New Zealand registered dentists with a clear credit history
- Same day approvals • Low rate, competitive financing • Flexible programs – deferred payments, service agreements
- Terms from 12 to 60 months

THE PROCESS IS AS SIMPLE AS 3 EASY STEPS

STEP ONE **1**

After discussing your needs, your Henry Schein Sales Specialist will supply you with a full detailed quote.

This will include all aspects of your opportunity, whether it be a completely new design and build or a single piece of equipment. 20% of your total finance can be spent on consumable items also.

STEP TWO **2**

You will need to complete the Finance Application and return this to Henry Schein. If you are a registered New Zealand dentist requiring less than \$500,000 to be financed, and you have a clear credit history, automatic approval applies.

If outside of this, additional information may be requested by our 3rd party provider such as Financial Statements or Personal Guarantees.

STEP THREE **3**

Once approval is received our team will work with you on delivery time frames.

Your loan documentation will be drawn up on delivery of your equipment, and funds are paid directly to HSNZ and your fitout company once these are completed.

For more information, or to request a quote, please contact your Henry Schein Equipment Specialist.
