.....

DLL Group and Henry Schein Financial Services partner to help you access the financial resources you need for any situation. Whether you're acquiring a practice, building a new one from scratch, revamping an existing location or just upgrading your equipment, technology or software we can offer the assistance you need to achieve your business goals.

DLL Group has partnered with Henry Schein for several years now, which means they fully understand the nature of our industry. This webinar will outline finance packages that meet the needs of your specific situation, and payment terms that make new investment achievable. With our flexible terms, we can find a finance option that works for you.

Register today to find out what we can offer you...
