Offers free and environmentally responsible disposal of your old instruments, regardless of brand, and reward you with a new Hu-Friedy instrument that will help you perform at your best.

Recycle 12 instruments to get 1 FREE Instrument.

1. Collect, Bag & Autoclave
2. Instruments must be deposited at the Henry Schein Hu-Friedy Stand*
3. Choose FREE instrument

Collect your old instruments. Gather old, broken or unwanted instruments of any type & brand from your surgery. Limit of 144 instruments per customer will apply. Bag and autoclave. To be accepted by the Envirodent program all instruments MUST be bagged and autoclaved.

Bring your instruments to the Henry Schein Dental stand at the Auckland Dental Expo May 2025. Choose your FREE Hu-Friedy Instrument. We have assembled a great range of best-selling Hu-Friedy instruments, from scalers and curettes to retractors and burnishers for you to choose from. We will deliver your goods 4-6 weeks after the show.

**Instrument will not be excepted any other way than deposited in person at the Dental Expo May 2025*
