Shining 3D Dental e-Motion Workstation

SHINING 3D's e-Motion Workstation is the world's first all-in-one digital dental solution that combines an intra-oral scanner, face scanner, and advanced mandibular movement tracking system. By capturing multiple data from a single device and seamlessly integrating them into powerful software, a dynamic virtual patient can be created that adapts to a wide range of complex cases. Clinicians can now deliver superior treatment outcomes with unparalleled ease and precision, all while embracing cutting-edge innovation.

Ask us for a quote, full workstation includes:

- Elite Wireless Scanner
- Scanbody Kit
- Metismile MR Face Scanner
- Ao Station Cart
