Duraphat Lighter Fluoride Varnish is a Prescription Medicine containing 50 mg sodium fluoride per 1mL (5% w/v), equivalent to 22,600 ppm fluoride ion (22.6 mg of fluoride) in an alcoholic solution of natural resins. Caries prevention by deep penetration with fluoride. Desensitisation of sensitive teeth. NeutraFluor 5000 Sensitive & Plus are Pharmacist Only Medicines. Sensitive contains Sodium Fluoride 11.05 mg/g & Potassium Nitrate 5 mg/g. Recommended for use as a dental caries preventive in individuals with sensitive teeth who are at high risk for caries. Plus contains sodium fluoride 1.1% (w/w). Recommended for use as a dental caries preventive in individuals who are at high risk for caries. Review the data sheets for information on dosage, contraindications, precautions, interactions, and adverse effects available at [www.medsafe.govt.nz](http://www.medsafe.govt.nz). Colgate-Palmolive Ltd, Lower Hutt, Wellington.

# Over 100 CBCT units installed in the NZ market.

## Henry Schein take imaging seriously.

We've sold and installed over 100 Cone Beam units in the last few years, so it's safe to say we are now experts. Our manufacturer trained Sales Specialists are backed by our in-house service team who specialise in providing our customers the on-going support needed to ensure maximum functionality and longevity on your investment.

### **CBCT Systems**

From  
**\$79,900**

# The NEW Viso G3 from **PLANMECA**

Visit our stand to enter a new dimension in CBCT technology. All new features including free volume selection and live patient positioning.

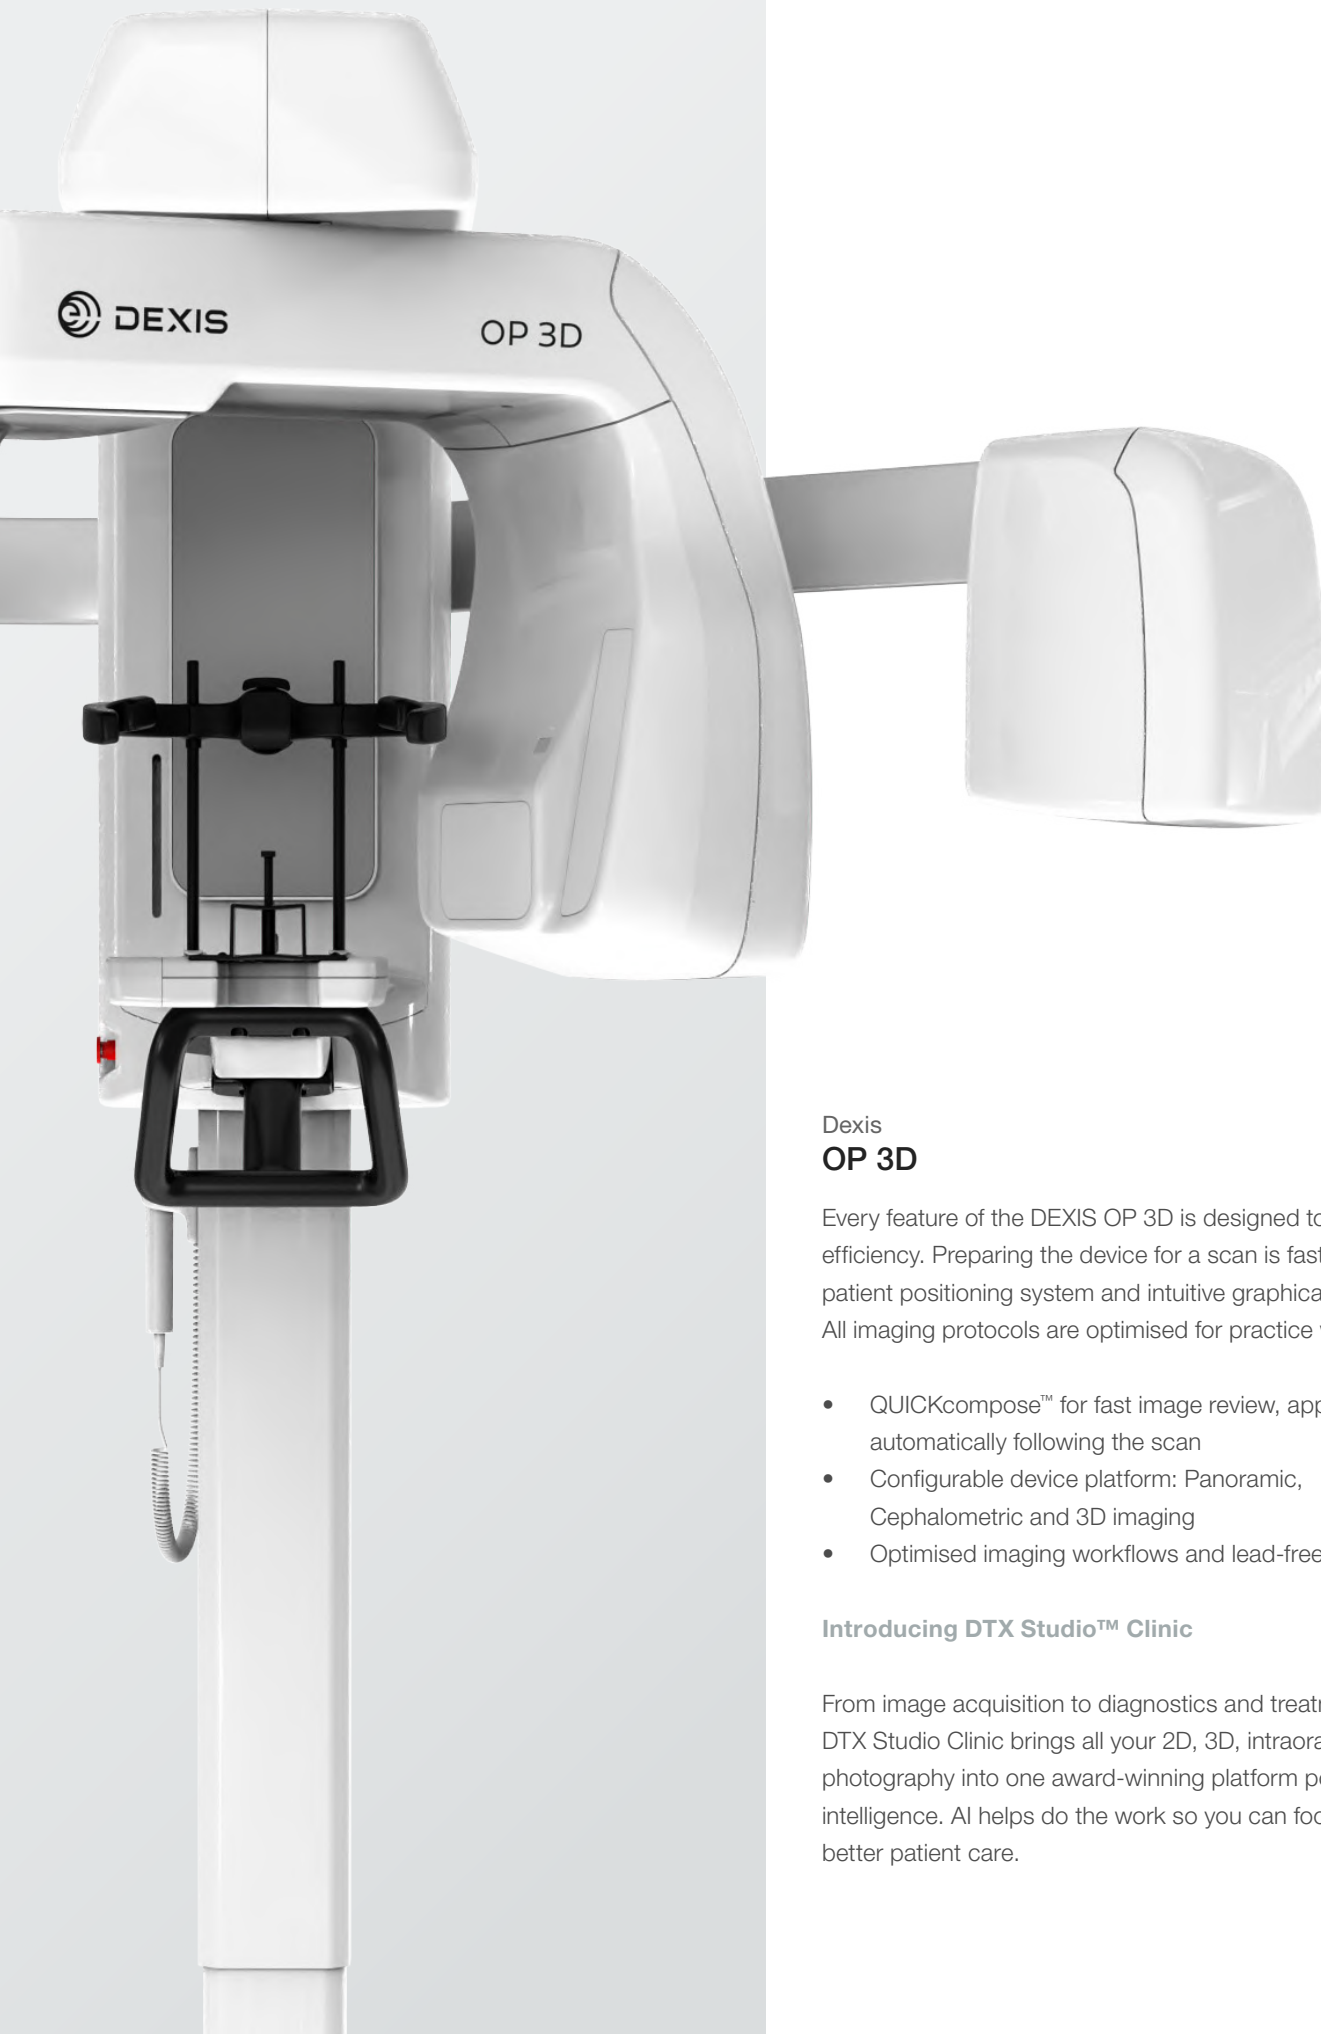

Morita  
**Veraview X800**

**Superior Japanese Technology – Winner of the iF Design Gold Award.**

Outstanding image quality for panoramic and 3D images ensures a precise and reliable diagnosis even in the most demanding cases. The extremely high resolution of more than 2.5 LP/mm at 10% MTF and a voxel size of 80  $\mu$ m show even the smallest details.

- Reduced doses
- Eleven fields of view
- Sharp panoramic images
- Face-to-face design
- Network integration
- Partial cephalometric images

### Dexis **OP 3D**

Every feature of the DEXIS OP 3D is designed to increase practice efficiency. Preparing the device for a scan is fast with an easy patient positioning system and intuitive graphical user interface. All imaging protocols are optimised for practice workflows.

- QUICKcompose™ for fast image review, appearing automatically following the scan
- Configurable device platform: Panoramic, Cephalometric and 3D imaging
- Optimised imaging workflows and lead-free device

### **Introducing DTX Studio™ Clinic**

From image acquisition to diagnostics and treatment planning, DTX Studio Clinic brings all your 2D, 3D, intraoral scans and photography into one award-winning platform powered by assisted intelligence. AI helps do the work so you can focus on delivering better patient care.

Planmeca

## Promax 3D Classic

**Packed with features so you're ready to reap the benefits of this new technology right away.**

The Planmeca ProMax 3D Classic covers the entire dentition, making it an excellent option for full arch 3D dental imaging needs. Moving patients can be a significant challenge to image quality, but the Planmeca CALM movement correction algorithm helps to efficiently remove movement artifacts ensuring a successful image every time...eliminating the need for unnecessary exposure.

Planmeca Promax 3D units come equipped with

- SmartPan System
- Ultra Low Dose Technology
- Bitewing Panoramic Program
- Promax Extended Field of View
- Planmeca CALM Artifact Correction
- 2 x Romexis Standard 3D User License
- 1 x Romexis 3D Implant License

**SAVE OVER \$28,500**

Everything you've come to appreciate about the A-dec 500 dental chair, is now available with a new delivery. Enabled with A-dec+ and an updatable software platform, the A-dec 500 Pro delivery system supports your dental team with a new level of connection.

#### **Intelligent Control**

Intuitive, connected equipment is consistent & predictable.

#### **Connectivity**

A-dec+ paired with a software-based platform brings technological flexibility to your practice.

#### **Flexible Integration**

Integrating new clinical capabilities with the existing platform keeps equipment relevant.

#### **Optimal Access**

Get in close and comfortably position everything you need within reach.

#### **Superior Care**

Comfort and stability add up to a superior patient experience.

#### **DS 7 Touch Panel**

With an advanced responsive surface and 7inch durable glass touch screen, the Dynamic Screen 7 (DS7) offers a simplified interface that displays only the information you need for the procedure at hand, so you can focus on your patients.

The A-dec 300 Pro combines a full set of advanced features and reliable performance with an intuitive, easy-to-use system. Enhanced control pads provide an intuitive, responsive, and dynamic user interface. More functionality. More versatility. More forward-thinking design.

**Evolved**

Enhanced features make working more comfortable and intuitive.

**Connected**

An updatable software platform helps futureproof your practice.

**Accessible**

Close in to your patient, everything you need is within reach.

**Flexible**

Easily configure your system for the way you like to work.

**CP5 Control Panel**

The A-dec 300 Pro brings you a better operator experience with the Control Pad 5 (CP5) and Control Pad 5i (CP5i)—both with ultrasonic scaler integration. Enjoy seamless transitions during treatment with access to your chair, handpieces, clinical devices, cuspidor, and light functions all on one control pad. Navigate easily and accurately with just the touch of a finger on the smooth, impact-resistant glass surface.

300 pro

Planmecca

**Compact i Classic**

The design of the Compact i Classic guarantees a smooth workflow and an excellent working position. This modern classic combines the benefits of both ergonomics and practical design.

- Stylish chair design with smooth finished gloss powder coat allowing for easy cleaning
- Colour coded elements and sterilisable components for environmentally kind reprocessing
- Unparalleled patient comfort, superior doctor and assistant's access
